Introduction

Hello Everyone!!

I appreciate your show of support in purchasing this book.

This is my 2nd bass play-along book, and it contains 14 tunes at the intermediate level.

My goal for this one was to compose fun to play songs with straightforward yet challenging bass parts while offering a variety of musical styles. What I like about it is that the tunes are not too difficult and still feature some of today's greatest musicians like Jeff Coffin, Derico Watson, and Chester Thompson, among others.

Anyways, I hope you enjoy playing along with these tracks and that the songs will help you strengthen your current skills.

Bernhard
